

After a break time (used by many of the quartets for another run thru) and some time to set up the sound equipment and judges table, the chapter members reassembled in the auditorium of the SRT for the 46th annual Wilbur Sparks Memorial Put Together Contest. **Troy Hillier** was emcee for the event and shared stories about **Wilbur** (often called Dr. Put for his fun approach to organizing a chapter quartet contest and for getting new guys singing in quartets that had not done so before. **Wilbur's** fun approach to create crazy names for the quartets seems to carry on as some of this year's were wild – Dave's in Charge of That, Per Four Mens, Ives Gotta Plan, We Probably Shouldn't Do This, and Whisky Switch.

There were two categories and prizes for top three quartets in each – comedy and regular. Judges were Georgetown Chimes singers **Chase, Jack, John and Dylan**. **Jack Pitzer** was panel chairman. We even had a mic tester quartet.

When all 17 quartets had finished, the whole crowd adjourned to the cafeteria for refreshments and announcement of contest winners by **Troy and Matt Doniger**, who was 'Dr. Put' for this year's event. Each singer in the top three quartets in each category received a plaque.
