PUT TOGETHER QUARTET CONTEST*

Tuesday, November 6, 1973
Chinquapin Recreation Center

* A "Put Together Quartet" is one formed by the Chapter Quartet Promotion Chairman to encourage quartet singing. In this contest it may include no more than two experienced quartet men (except where they may be required to sing a part other than their usual part) and no more than one member of a registered quartet, and it should contain at least two quartet novices. These goals, as well as the goal to have no man singing in two quartets, have been seriously sought, but it has been necessary, in order to get as many Harmonizers participating as possible, to waive the rules in a very few cases. Just one song will be sung, no time limitation will be observed, and a photograph of the quartet "in action" during the contest will be allowed. These are the only deviations from Official Society Rules.

PROGRAM

Dean Snyder, Master of Ceremonies
Co-Founder, Alexandria Chapter

1. The Quartet Competition
For the order of singing and personnel of the competing quartets, see opposite page.
2. Intermission
This period is to serve the audience and the competitors as a (1) seventh inning stretch, (2) "feeding time", during which we all move to the Harmonizers' Hors D'Oeuvres Table for some of the fantastic goodies specially provided, pot luck style, by our Ladies, and (3) "sipping time", during which we sooth our throats with some Harmonizer Potables, either hot or cold as your taste demands.
3. Community Singing Oz Newgard
One of the group singing champs will take a swing at pacing the whole gang through some barbershop lieder of his own choice.
4. Featured Quartet: "The Friendship Fire Company"
One of our chapter quartets, hard working and ever-improving in its presentations, gives us a sample of its pleasing routine.
5. Featured Chorus: "The Alexandria Harmonizers"
Our beloved and revered Musical Director, Herr Scott Werner, who emigrates from Woodbridge, Virginia, each Tuesday evening to direct us in warm-up exercises of a previously undisclosed nature, may be persuaded to run the next District Champions through their paces.
6. Announcement of Winners Hack Pitzer
7. "Keep America Singing" Scott Werner

THE QUARTET COMPETITION

(Names of personnel are listed in order of tenor lead, bari and bass. Remember: Some of these fellows are NOT singing their own part - they need Encouragement as much of the novices!)
